

NIAGARA FALLS WATER BOARD

REQUEST FOR PROPOSALS (“RFP”) NO. 2019-04

Redirect Outfall 003 from the Falls Street Tunnel to the Gorge Pump Station

ADDENDUM NO.: 2 (page 1 of 1)

DATE: 8/21/19

Include this Addendum as part of the Request for Proposals for the above project. It supplements portions of the original RFP, the extent of which shall remain, except as revised herein:

PROPOSAL QUESTIONS:

Question 1: Please clarify the M/WBE and SDVOB Requirements.

Answer 1: The NFWB has established goals of 12% for Minority-owned Business Enterprises (MBE) participation, 18% for Women-owned Business Enterprises (WBE) participation, and 6% for Service-Disabled Veteran-owned Business (SDVOB) participation.

Firms shall attempt to utilize, in good faith, any MBE, WBE, or SDVOB identified within its MWSDVBE Utilization Plan during the performance of the Contract with an overall goal of 30% for M/WBE participation and 6% SDVOB participation.
