3. Standards for such code of ethics shall be as follows:
 - a. No employee shall accept other employment which will impair his or her independence of judgment in the exercise of his or her official duties.
 - b. No employee shall accept employment or engage in any business or professional activity which will require the employee to disclose confidential information which he or she has gained by reason of his or her official position or authority.
 - c. No employee shall disclose confidential information acquired by the employee in the course of his or her official duties nor use such information to further his or her personal interests.
 - d. No employee shall use or attempt to use his or her official position to secure unwarranted privileges or exemptions for himself or herself or others.
 - e. No employee shall engage in any transaction as representative or agent of the authority or water board with any person or business entity in which he or she has a direct or indirect financial interest that might reasonably tend to conflict with the proper discharge of his or her official duties.
 - f. An employee shall not by his or her conduct give reasonable basis for the impression that any person can improperly influence such employee or unduly enjoy his or her favor in the performance of his or her official duties, or that he or she is affected by the kinship, rank, position or influence of any party or person.
 - g. An employee shall abstain from making personal investments in enterprises which he or she has reason to believe may be directly involved in decisions to be made by the employee or which will otherwise create substantial conflict between his or her duty in the public interest and his or her private interest.

- h. An employee shall endeavor to pursue a course of conduct which will not raise suspicion among the public that he or she is likely to be engaged in acts that are in violation of his or her trust.
- i. No employee employed on a full-time basis nor any person, firm or association of which such an employee is a member, nor corporation a substantial portion of the stock of which is owned or controlled directly or indirectly by such employee, shall sell goods or services to any person, firm, corporation or association which is licensed or whose rates are fixed by the water board in which such employee serves or is employed.
- j. If any employee shall have a financial interest, direct or indirect, having a value often thousand dollars or more, in any activity which is subject to the jurisdiction of a regulatory agency, he or she shall file with the secretary of state and secretary of the water board a written statement that he or she has such a financial interest in such activity which statement shall be open to public inspection.
- k. In addition to any penalty contained in any other provision of law, any such employee who shall knowingly and intentionally violate any of the provisions of this section may be fined, suspended or removed from office or employment in accordance with the rules and regulations of the water board. It shall be misdemeanor for any such employee to be in any way or manner Interested, directly or indirectly, in the furnishing of work, materials, supplies or labor, in any contract therefore which the authority or the water board is empowered to make by this title.

II.

NIAGARA FALLS WATER BOARD CODE OF CONDUCT

In addition to the Code of Ethics codified in New York Public Authorities Law §1230-v, which the Board hereby adopts and reaffirms, the Board hereby adopts the following Code of Conduct ("Code of Conduct") pursuant to New York Public Authorities Law § 1230-f(28). The Code of Conduct shall apply to all Board Members ("Members"); Officers of the Board; and any and all employees of the Board who have exempt status under New York Civil Service Law (collectively "Covered Persons"). This Code of Conduct is intended to guide and enhance the ethical and professional performance of Covered Persons and to preserve public confidence in the Board's mission and activities.

Conduct of Covered Persons

1. Covered persons shall not interfere with, or otherwise act in a manner inconsistent with the implementation of any official policy, procedure, direction, or strategy of the Water Board.
2. In the event that a Board Member has any complaints, questions, or issues, concerning Board operations, such complaints, questions or issues are to be directed to the Executive Director. If an employee of the board raises a complaint, question, or issue regarding Board operations to a covered person, the employee should be instructed to first

bring such complaint, question, or issue to their immediate supervisor and ultimately to the Executive Director's office or his or her designee. Members shall not become involved in the day to day operations of the Board.

3. Water Board Members shall not direct employees or Water Board contractors to take actions except through duly-enacted Board motions or resolutions at properly noticed meetings, as individual Members are without authority unilaterally to direct employee or contractor activities. The day-to-day operations of the Water Board are to be conducted under the direction and supervision of the Executive Director, and employees under the Executive Director or contractors who are directed to take an action by an individual Board Member must receive the Executive Director's approval before carrying out the individual Member's directive.

4. Members must acknowledge that they do not speak on behalf of the entire board. Precaution must be realized before an individual member makes public comments regarding board issues and operations. If at all possible, public statements should be issued through the Executive Director's office.

5. During declared Local States of Emergency, Members shall direct all communications regarding Water Board matters that otherwise would be sent to the Executive Director pursuant to this Code to the Board Chairperson, who shall address any urgent issues with the Executive Director. The purpose of this provision is to coordinate information and reduce the burden on the Executive Director during a state of emergency. This provision shall not apply to a Member communicating to the Executive Director to alert the Executive Director to an urgent situation, such as a water main break or other circumstance that may jeopardize health, life, or property, during a state of emergency.

6. This code of conduct shall be provided to all covered persons upon commencement of appointment or employment.
