

NIAGARA FALLS WATER BOARD RESOLUTION # W-2024-06-006

**AWARD BID FOR COMBINED SEWER MAIN REPAIR
ON PINE AVENUE BETWEEN 15TH ST. AND TRONOLONE AVE.**

WHEREAS, after performing camera inspections following reports of a pavement depression or sinkhole on Pine Avenue, the Niagara Falls Water Board (“Water Board”) discovered multiple sections of the 18” combined sewer on Pine Avenue to be in a damaged or deteriorated condition and requiring repair without delay in order to avoid service interruptions or damage to the street; and

WHEREAS, because of the depth of the sewer at those locations and the length of the collapsed pipe sections, the requisite repairs are beyond the scope of what Water Board crews can complete; and

WHEREAS, the City of Niagara Falls Engineering Department prepared plans for the needed combined sewer repairs, and two base bids for the project were received on June 21, 2024, one from Chad Robertson Construction in the amount of \$187,330 and one from PM Paving in the amount of \$299,475;
