

The Niagara Falls Water Board wants to inform you that at 9am on Tuesday April 7, 2026, your water services will be interrupted for a maximum of 2 hours. This will allow the contractor to make the necessary connection needed to begin the new water main project.

If you have any questions or concerns, you may contact Michael S. Eagler Sr, Chief of Outside Infrastructure for the Niagara Falls Water Board, at (716) 343-5314.
